The General Assembly,

Having considered the item entitled "Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations",

Having also considered the report of the Secretary-General[1] and the report of the Economic and Social Council[2] on the item,

Having examined the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples for 2018 relating to the item,[3]

Recalling its resolutions 1514 (XV) of 14 December 1960 and 1541 (XV) of 15 December 1960 and the resolutions of the Special Committee, as well as other relevant resolutions and decisions, including, in particular, Economic and Social Council resolutions 2016/20 of 27 July 2016 and 2017/31 of 25 July 2017,

Noting that only some specialized agencies and other organizations of the United Nations system have been involved in providing assistance to Non-Self-Governing Territories,

Stressing that, because the development options of the small island Non-Self-Governing Territories are limited, there are special challenges to planning for and implementing sustainable development and that those Territories will be constrained in meeting those challenges without the continuing cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Stressing also the importance of securing the resources necessary for funding expanded programmes of assistance for the peoples concerned and the need to enlist the support of all major funding institutions within the United Nations system in that regard,

Reaffirming the mandates of the specialized agencies and other organizations of the United Nations system to take all appropriate measures, within their respective responsibilities, to ensure the full implementation of General Assembly resolution 1514 (XV) and other relevant resolutions,

Expressing its appreciation to the African Union, the Pacific Islands Forum, the Caribbean Community and other regional organizations for the continued cooperation and assistance that they have extended to the specialized agencies and other organizations of the United Nations system in this regard,

Expressing its conviction that closer contacts and consultations between and among the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of programmes of assistance to the peoples concerned,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various resolutions and decisions of the United Nations relating to decolonization,

Bearing in mind the extremely fragile economies of the small island Non-Self-Governing Territories and their vulnerability to natural disasters, such as hurricanes, cyclones and sea level rise, and recalling the relevant resolutions of the General Assembly,

Recalling its resolution 72/93 of 7 December 2017 on the implementation of the Declaration by the specialized agencies and the international institutions associated with the United Nations,

Welcoming the participation by videoconference of representatives of the United Nations Development Programme and the Economic Commission for Latin America and the Caribbean at the Pacific regional seminar held in Saint George's from 9 to 11 May 2018, and encouraging further participation by specialized agencies and institutions associated with the United Nations in the future regional seminars of the Special Committee,
